

## NOTICE

The Auction Yard strives to give our bidders as much information about the vehicles being auctioned as possible. This is a non binding guess that we provide as a courtesy, There are no doubt latent defects that we are unable to test. You are still required to preview even if you do not live nearby. Due to our Public Auction Dealers License, we are required to sell all vehicles "as-is" "where-is" with all faults. With no Implied Warranty of any kind and no refunds or credit, no exceptions.
